

COOS BAY SCHOOLS COMMUNITY ACTION GROUP:

..... The Community Action Group is responsible for community contacts through town hall meetings, information booths at local/school events, and individual contacts, in acquiring information and preferences. The information will be used in determining the level of understanding the community has with regards to CB district schools and what the community wants their schools to be in the future. The Action Group will also work with district contractors in developing plans for our buildings.

Contact the following community member for more information
